GENERAL INSTRUCTIONS

FILING REQUIREMENT: Every corporation, rental property, partnership, trust or estate, whether a resident or non-resident that conducts a business in Bedford must file a return and pay tax on the net profit.

WHAT CONSTITUTES NET PROFITS: Net profits shall be determined on the basis of the information used for federal income tax purposes, adjusted to the requirements of the Ordinance of Bedford. Expenses attributable to non-taxable income are not deductible. Gains and losses from the sale or exchange of capital assets to the extent recognized as capital gains or losses for federal income tax purposes, are not to be considered in arriving at net profits.

HOW TO TREAT A NET LOSS: The portion of a net operating loss sustained in any taxable year, allocable to Bedford may be applied against the portion of the profit of succeeding year(s) allocable to Bedford until exhausted but in no event for more than five (5) taxable years. No portion of a net operating loss shall be carried back against net profits of any prior year. The portion of a net operating loss sustained shall be allocated to Bedford in the same manner as provided herein for allocating net profits.

The Net Operating Loss of a business which loses its identity through merger, consolidation, etc. shall be allowed as a loss carry-forward deduction to the surviving business entity to the extent permitted by the Internal Revenue Code.

WHEN TO FILE: On or before April 15th following the close of the calendar year. If the return is made for a fiscal year or any period less than a year, file within four (4) months from the end of the fiscal year or other period.

WHERE TO FILE: Forms must be filed at the tax department. The City of Bedford, P.O. Box 92636-T, Cleveland, Ohio 44190.

EXTENSIONS OF TIME TO FILE: for good cause may be granted by the Administrator. Make written request on or before the due date, stating reason.

ROUNDING OFF TO WHOLE DOLLARS is permitted. Eliminate any amount less than fifty cents and increase any amount from fifty cents through ninety-nine cents to the next higher dollar.

PENALTIES AND INTEREST are imposed for failure to file a return or pay the tax due. Penalty – \$25.00 and interest – 1 1/2% per month.

SPECIFIC INSTRUCTIONS

HEADING – Print your company name, address, federal identification number plainly, or make needed corrections if already imprinted.

LINE 1 – Place your taxable income as shown on your federal form or schedule attached, 1065 Filers use amount shown as ordinary Income.

LINES (2A), (2B), AND (2C) – are used to make adjustments when Line 1 includes income not taxable and/or items not deductible for municipal tax purposes. Schedule X is used to reconcile income as used for federal purposes by subtracting such income items that are not taxable for municipal purposes and adding back deductions used for federal purposes which are not allowable for city purposes. Enter the amounts of any such items in Schedule X, and carry the totals of Schedule X, Lines (G) and (R) respectively to Lines (2A) and (2B). The difference between Lines (2A) and (2B) is to be entered on Line (2C). Also see instructions for Schedule X.

LINE (3A) – is the result of Line 1 plus Line (2A) less Line (2B).

LINE (3B) – The income tax ordinance recites a formula (Schedule Y) to determine the percentage of income attributable to Bedford by business entities conducting business activity both within and outside Bedford. If Schedule Y is used, bring the average percentage from Line 5 of Schedule Y to the % line of Line (3B). Multiply Line (3A) by this percentage and enter the result on Line (3B).

LINE (3C) – Business entities may carry operating losses forward for a maximum period of five (5) years or until exhausted whichever is earlier. No portion of a net operating loss shall be carried back against net profits of any prior year. Taxpayers doing business both in and outside of Bedford who allocate profits via Schedule Y must also allocate losses accordingly. A worksheet or schedule is required to support an operating loss claimed on the return.

LINE 4 – is the result of Line (3B) less Line (3C).

LINE 5 – Enter here tax liability for income shown on Line 4.

LINE (6A) – Enter here estimate payments made to Bedford for this taxable year.

LINE (6B) Enter credit from prior year(s) (overpayment you indicated on the prior return to be credited against this year's tax).

LINE (6C) – is the total of Lines (6A) and (6B).

LINE (7A) – If Line 5 is greater than Line (6C) the difference should be entered here.

Remittance in this amount must accompany the return when filed. If this amount is less than \$2, you do not have to pay.

LINE (7B) – If Line (6C) is greater than Line 5 the difference should be entered here. This amount will be transferred as a credit towards next year's tax unless you request a refund. Refunds of less than \$2 are not made.
